

THE SECRET OF MONKEY ISLAND™

Atari ST® Reference Card

Contents

Your Secret of Monkey Island package should contain the following:

- Your program disks
- One User's Manual
- This Reference Card
- One Dial-A-Pirate Wheel

Getting Started

Note: If you are playing from floppy disk, we recommend that you first make backup copies of all disks and put the originals in a safe place. The disks are not copy-protected, so to copy them, just follow the instructions that came with your computer.

You can play from either a hard disk drive or a floppy disk drive:

From a floppy drive, insert the Secret of Monkey Island Disk 1 in your disk drive (Drive A) and boot off this disk. Open the Drive A drawer and double-click on **MONKEY.PRG**.

Follow the instructions on screen, and insert other disks when prompted.

To install The Secret of Monkey Island on a hard disk, create a new folder on your hard disk called "MONKEY". Copy the contents of all of your Secret of Monkey Island game

disks into your new folder. When you have finished copying all of the files, double-click on **MONKEY.PRG**.

Keyboard Controls

All of the verbs used in the game can also be selected by using keyboard commands. Each key corresponds to one verb. Pressing the appropriate key once is equivalent to moving the mouse pointer over the verb on-screen and pressing the left mouse button. The keys are mapped as follows:

O Open	W Walk to	U Use
C Close	P Pick up	L Look at
S Push	T Talk to	N Turn on
Y Pull	G Give	F Turn off

Q – scrolls the inventory up

A – scrolls the inventory down

#1-6 – selects from inventory objects shown on the screen and dialog choices in a conversation

Save/Load Instructions

If you are playing from floppy disks, you will need to prepare a blank, formatted disk **BEFORE** you start to play. This disk will become your save/load disk. Hard disk players will have their games saved in the folder with the game files.

Press **F5** when you want to save or load a game.

If you are playing from floppy disks, you will be asked to insert your save/load disk.

Once the save/load screen is displayed, you can move the mouse pointer and click on **SAVE, LOAD, PLAY, or QUIT**. The save/load option will not be available during the opening sequence or the closing credits.

To SAVE:

Click on the **SAVE** option. The current list of saved games will be displayed in slots along the left side of the screen. Select a slot by moving the mouse pointer over it and clicking. Now type a new name for that slot or use the backspace key to change the existing name. Pressing **ENTER** will reactivate the mouse pointer. Click on **OK** to save the game, or **CANCEL** if you have changed your mind and do not wish to save it.

Warning: If you save to a slot that has been used before, the previously saved game will be overwritten by the new one.

To LOAD:

Click on the **LOAD** option. The current list of saved games will be displayed in slots along the left side of the screen. Select a slot by moving the mouse pointer over it and clicking. Click on **OK** to load the game, or **CANCEL** if you

Function and Command Keys

Save or Load a Game	F5
Bypass a Cut-Scene	ESC or press both mouse buttons at once.
Restart the Game	F8
