SEARCH FOR THE LOST "OFF SWITCH" GAME

Rules:

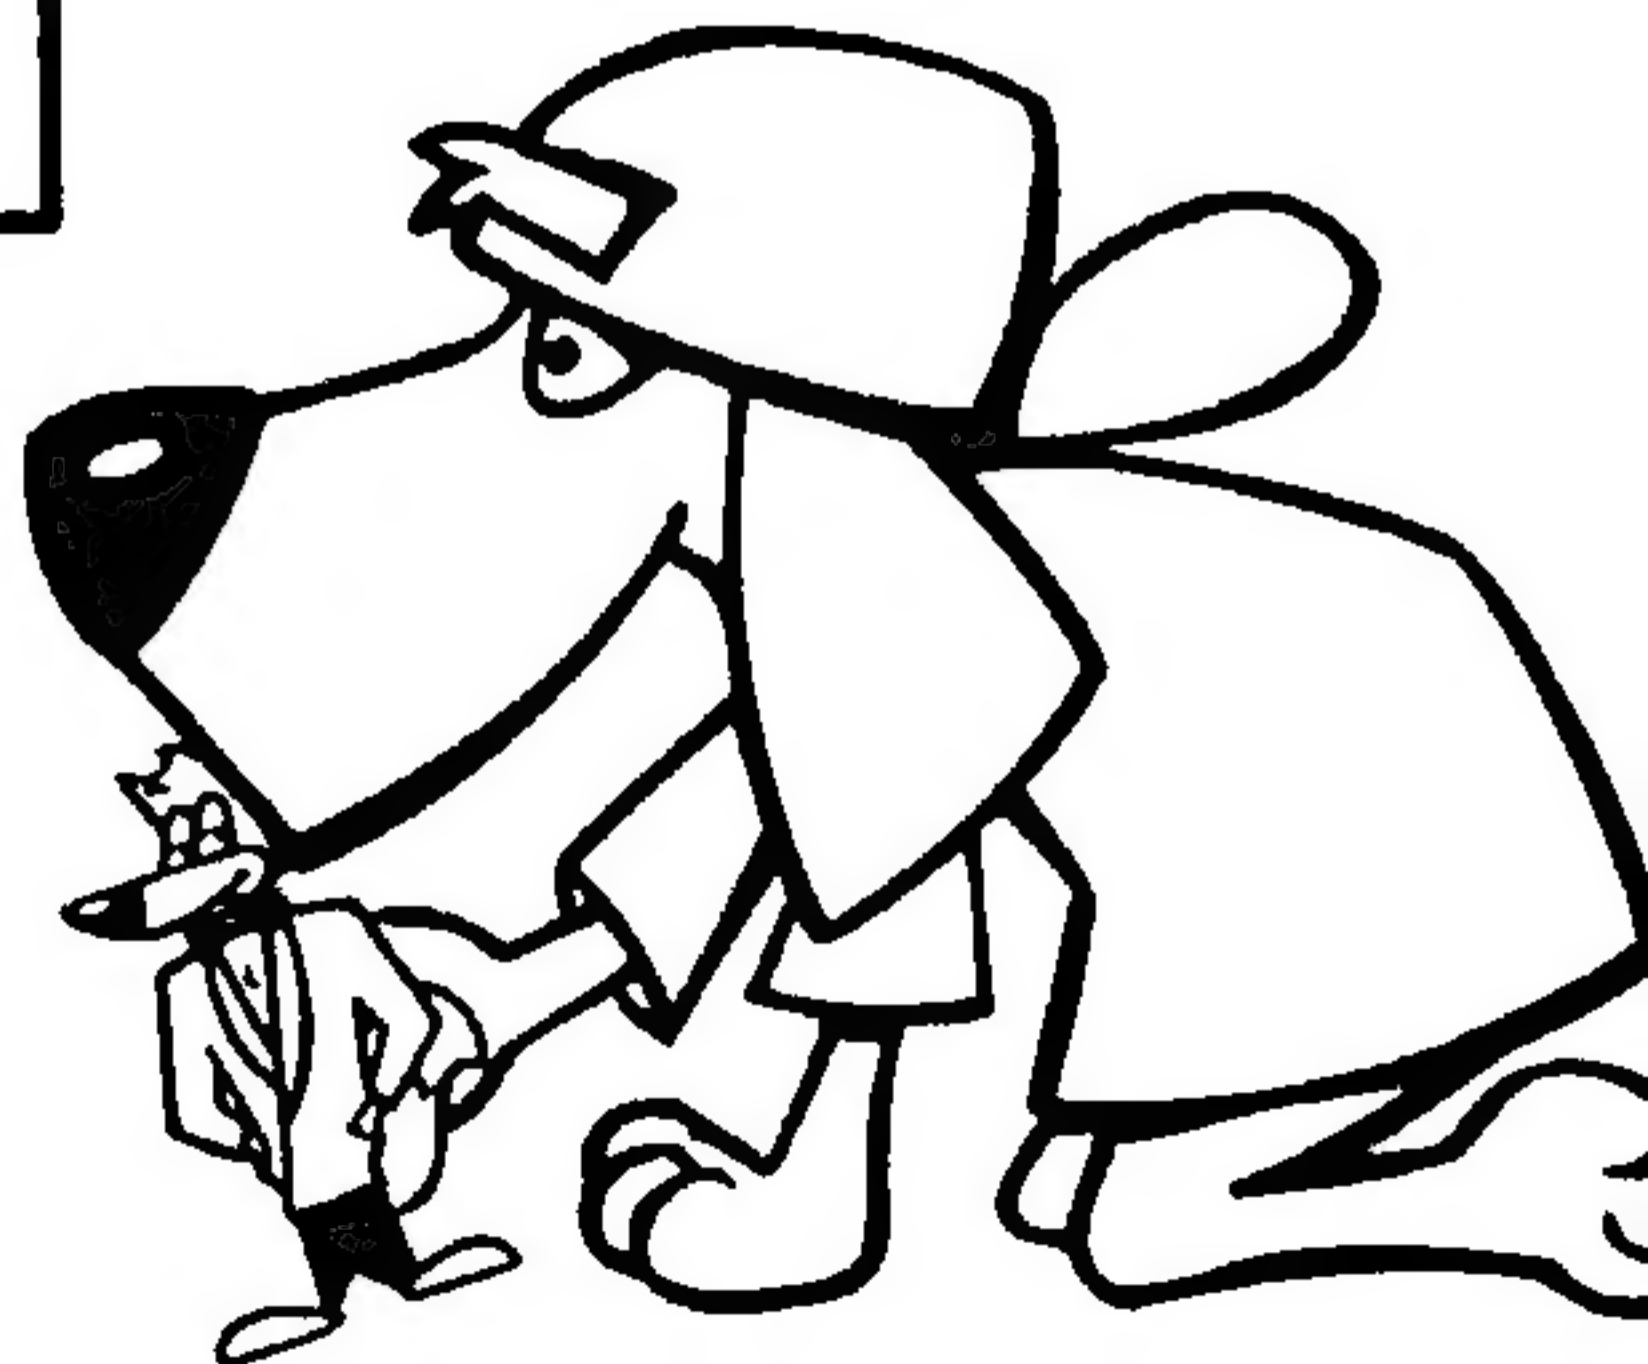

TURN ANY ROOM into an imaginary World's Fair — one player is SPY Fox (playing with SPY Fox decoy).

PLAYER must find the "off switch" hidden somewhere in the room—on his knees or crawling only. Player can not stand up. (This provides point-of-view with more World's Fair grandeur.)

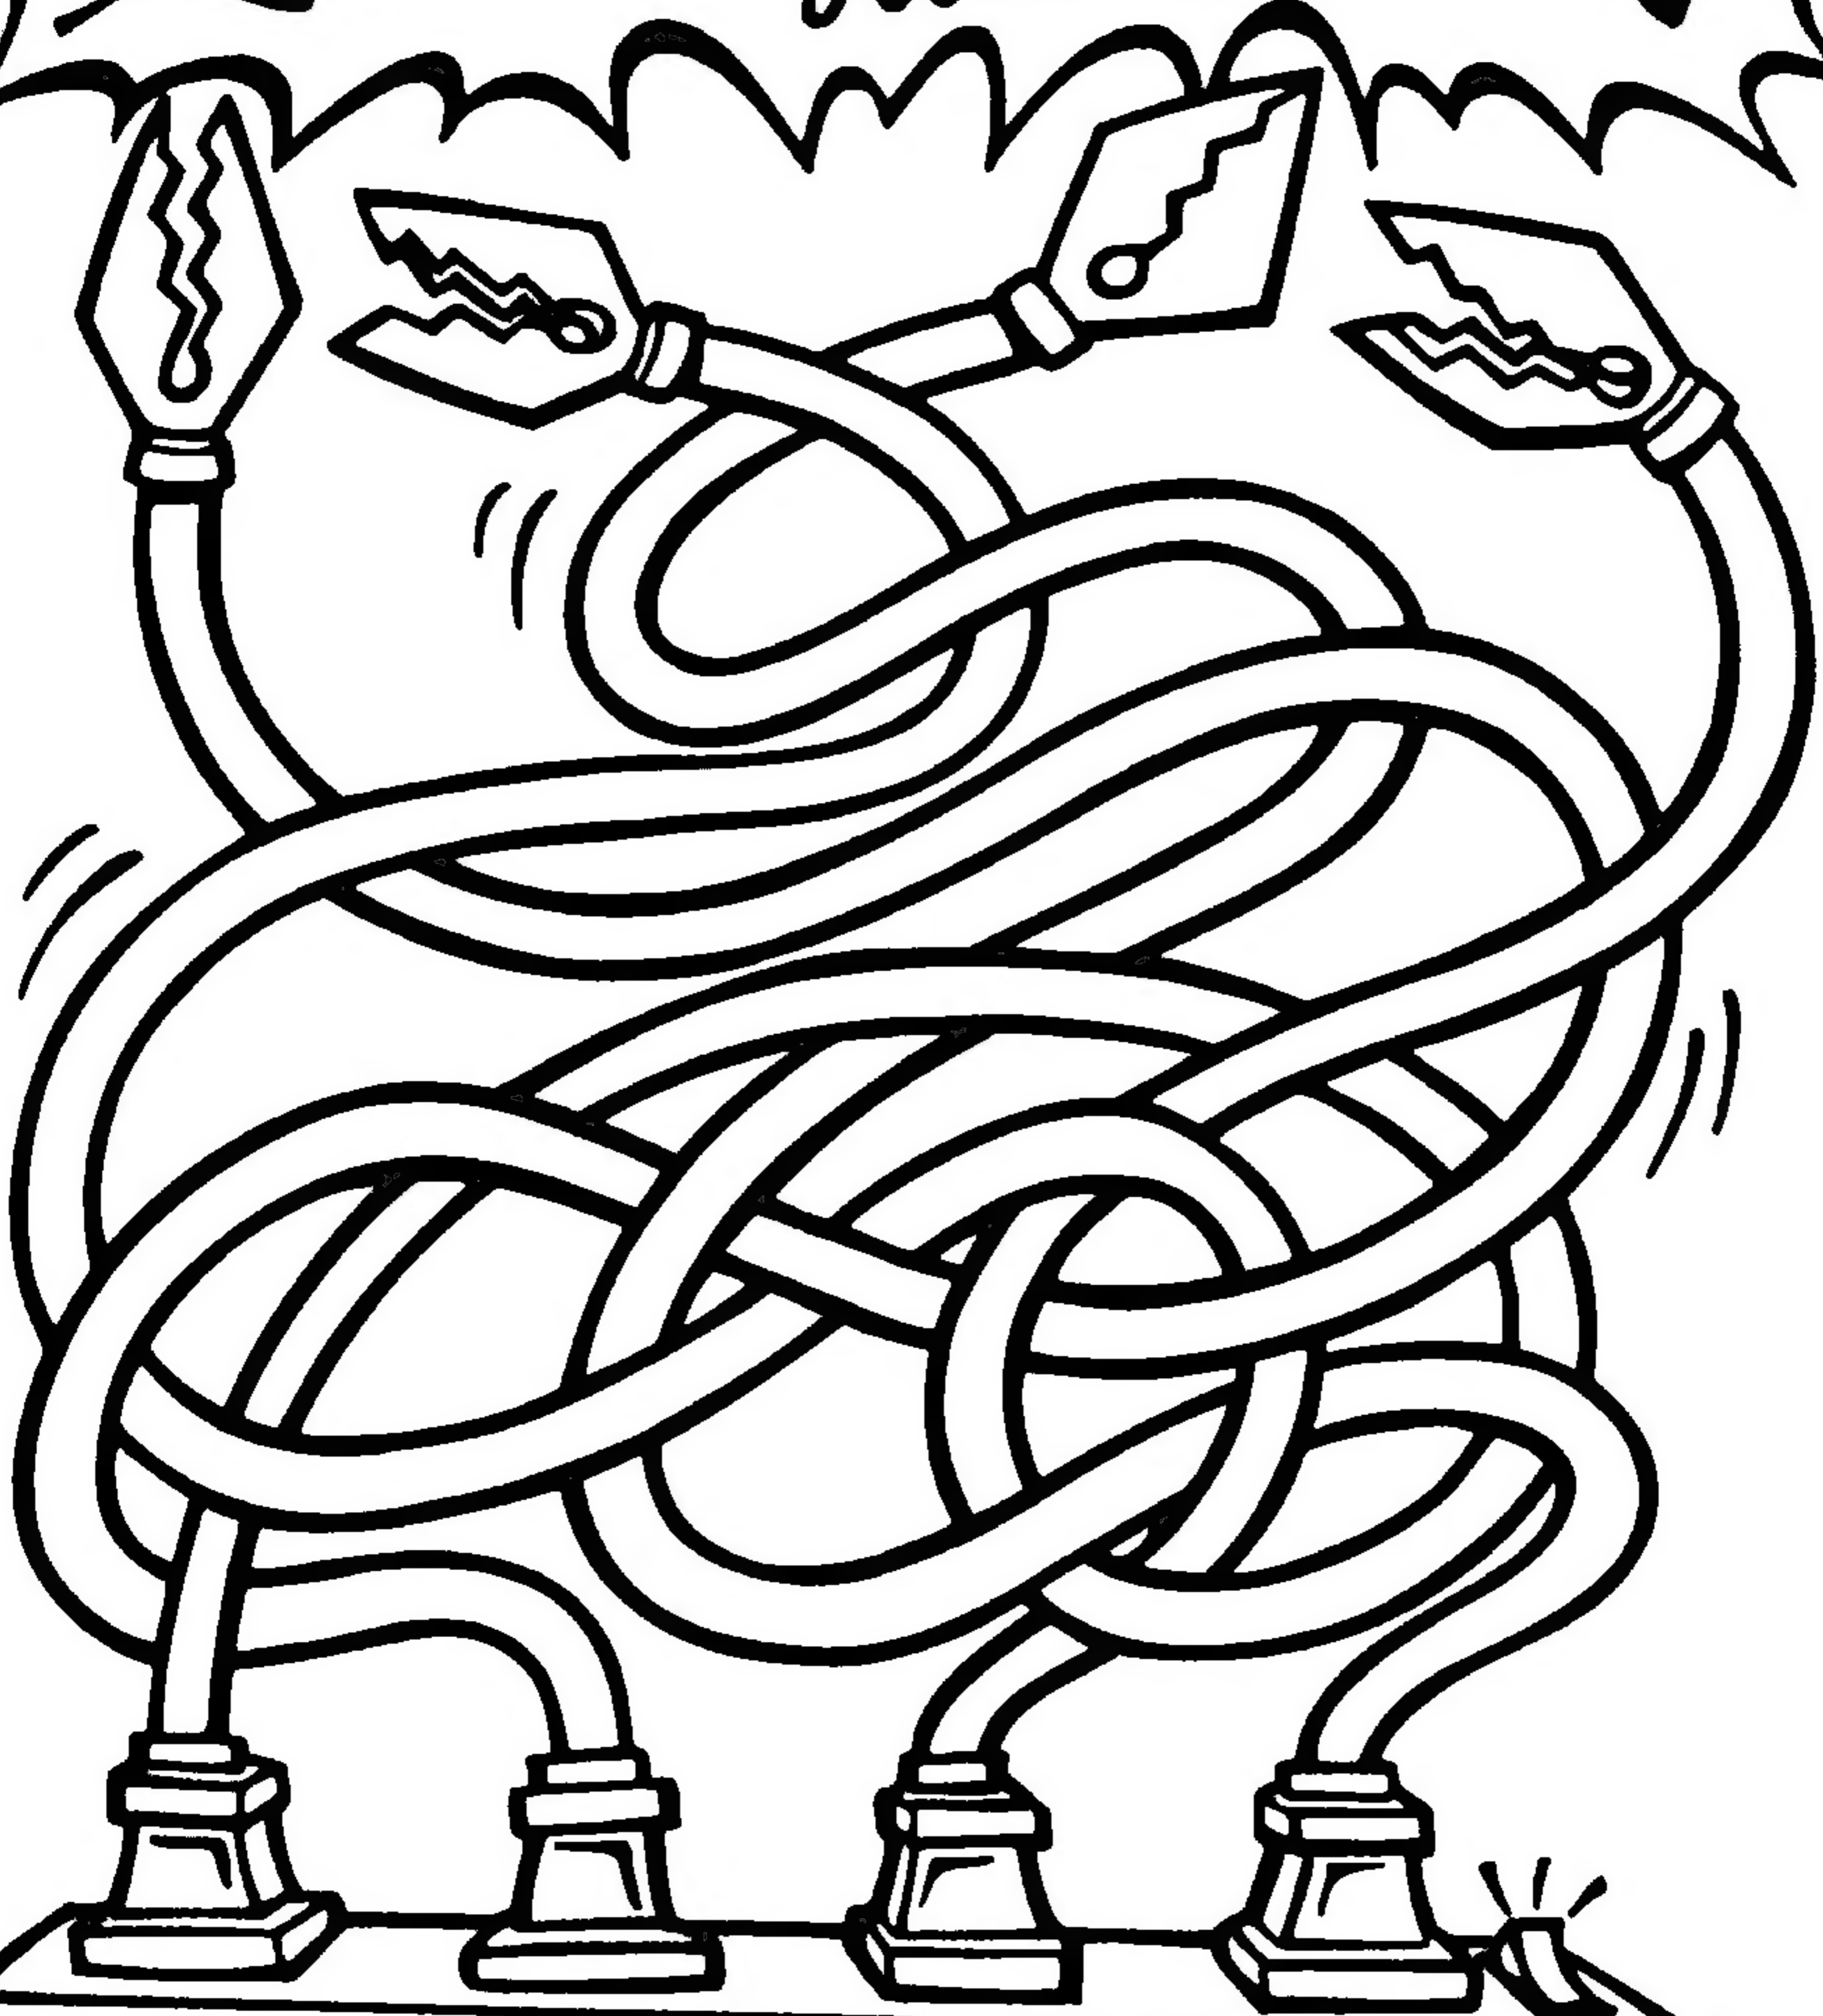

OFF SWITCH can be any item in the room. Just tape a label **ON/OFF** to underside.

SPY FOX can inspect anything within reach of player's kneeling position.

OBSERVER/MONITOR can mutter "Hot" or "Cold" to encourage progress — or not!
