ONE MUST FALL 2097

"WOW!... If Epic continues to release games like this they are going to have little competition!"

HANK LEUKART,
INTERNET GAME REVIEWER

"Leading edge"

STRATEGY PLUS

Pilot giant 90ft robots that fight with the kind of "feel" you've been waiting for in PC combat games.

Play head-to-head against your friends or fight your way through increasingly difficult tournaments. Use your winnings to upgrade, trade robots and purchase training in an attempt to defeat diverse enemies with unique personalities.

Features multi-channel, metal-crushing sound effects and heart-pounding digital music.

One Must Fall 2097 is only \$39/£30. Or, get the game, the massive 60-page One Must Fall 2097 Strategy Guide and a cool 17x22" color poster for only \$49/£35.

Requires 4MB processor, VGA and 4MB of RAM

**TO ORDER CALL
1-800-972-7434**

11 robots with over 120 frames of 3D animation per robot! Supports dual joysticks for head-to-head action.

5 incredible arenas with both traps and tools.

Win cash to upgrade robots, get training & buy new moves

Run out of cash and your repairs are over!

JAZZ JACKRABBIT

AVAILABLE
ON CD-ROM

"Absolutely stunning...
Highly recommended"

JOHN C. DVORAK, PC MAGAZINE

"Simply oozes professional-
ism and style... a top quality
game by any standards"

PC GAMER

"ONE HAPPENING HARE!"

STRATEGY PLUS

Remember the Tortoise and the Hare? Well, it's 3,000 years later and they're at it again. This time it's a fight for the galaxy and the love of a beautiful princess.

Jazz Jackrabbit is high-speed action through and through with 4-button joystick support, gorgeous graphics, cartoon-quality animation sequences and awesome digital sound-effects and music.

All six episodes are only \$39/£29 including a 36 page color manual which includes the hilarious jazz comic book.

Or, get the fabulous new Jazz-CD for only \$49/£35 which includes 3 hot new episodes and a bonus stage selector.

Requires 486 processor, VGA and 4MB of RAM.

COMING SOON FROM SAFARI SOFTWARE

TYRIAN

Safari Software is an exciting new division of Epic MegaGames. Tyrian will be Safari's first major effort and promises to be one of the most explosive

and action-packed games coming your way in 1995. Keep your eyes open for more great games from Safari Software!

XARGON

As Malvineous Havershim you must fight the evil Xargon so that you can save the world and return home.

Professional quality 256-color graphics and a moody musical score enhance the excitement.

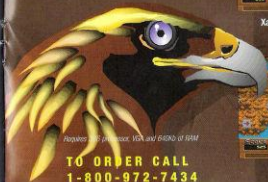

Xargon consists of three episodes; Beyond Reality, The Secret Chamber and Xargon's Fury. You get all three episodes for only \$30/£23.99.

Plays equally well with joystick or keyboard

Xargon is filled with tricks, traps and hazards

Requires 2MB free disk space, VGA and 512KB of RAM

**TO ORDER CALL
1-800-972-7434**

Underwater adventure awaits you too!

More Great Games from Epic!

The games below all require a 286 processor, VGA and 640Kb of RAM. All Epic games require a hard drive.

Jill of the Jungle

Exciting arcade action leading you through 35 spine-linging levels. Jill battles monsters, goes underground, and even saves the prince. VGA graphics and an awesome sound track add to the thrills. A true classic. Three episodes \$30/£23.99

Brix

This challenging game requires brain power. You must eliminate the blocks before time runs out. Two games of 112 puzzles each. \$30/£23.99

Castle of the Winds

This role playing game for Windows leads you on a quest through a castle and dungeon. You must create a character who will avenge the death of your godparents and reclaim your birthright. As you gather weapons, money and magical treasures, you must battle evil monsters. 2 episodes \$25/£23.99. Requires Windows 3.1 and 4Mb of RAM.

Solar Winds

As Jake Stone, inter-galactic bounty hunter, you converse with aliens, wage battles and go on special missions. Beware of a secret plot unfolding all around you! Two episodes \$30/£23.99

Epic Puzzle Pack

ElectroMar: Unravel the space station puzzles of the future. Heartlight: Guide Perchval through 70 mazes to win the heart of his true love. Be careful, the mental strain can cause his head to explode! Robbo: Guide Robbo through electric fields and other dangers. Brain food! Each game is \$19/£15.99 alone or get the full puzzle pack for only \$35/£26.99

About Your Order

To order from Epic MegaGames call 1-800-972-7434 in the USA or Canada or call (0) 1767 260903 in the U.K./Europe. In Germany call Epic Germany at (0) 40-899-684-0. Our full addresses and fax numbers are printed on the back cover of this catalog.

We accept VISA, MASTERCARD, Access, postal money orders and checks. All US & Canadian orders are subject to a \$4 shipping and handling charge. Maryland residents must also add 5% sales tax. Orders outside the USA or Canada shipped from our USA office are subject to a \$6 shipping and handling charge. U.K. prices include VAT, postage and handling charges. If you order more than one game, please deduct \$5 or £2 from the price of the second and third games (not PC Gamepad) you order.

Visit Epic On-Line!

Just GO EPIC on CompuServe. You can download a specially priced Game of the Month and visit our forum where you'll find more Epic shareware games, hints, tips and support.

Or, call EXEC-PC BBS, the world's largest BBS at (414) 789-4360. You can also find our shareware versions on the Internet in the '/msdos/Games/Epic' directory at 'ftp.uml.edu'.

For a free CompuServe sign-up kit please call one of the following numbers and ask for representative number 536: USA/Canada (800) 524-3388, U.K. 0800-289378, Germany 0130-3732, France 3663-8122, Australia 008-025-240, New Zealand 0800-446-113. For countries not listed call the US office at (614) 457-0802. You can also buy Epic games on CompuServe for immediate download to your computer. GO EPIC for details.

Get the Gravis PC Gamepad and Play Like a Pro!

This 4 button game pad runs from any joystick port. It can be played both left and right handed, and adds excitement to any game that supports a joystick. Stick attachment included. It's the best way to play high action games like One Must Fall 2097 and Jazz Jackrabbit. One Must Fall supports two PC Gamepads if you have an optional Y-connector. \$25/£23.99

Requires a joystick adapter port (not included). Not all game port configurations can support dual joysticks. Epic does not sell the Y-connectors.
