License and Warranty Information

MECC warrants that this product will operate on appropriately configured computers. See the product box for hardware and software requirements. For complete license and warranty information, see the text file on the CD.

MECC Technical Support

If you need help, please call MECC Technical Support at 423-670-2081.

Internet: mecctech@mecc.com or <http://www.mecc.com/>

For troubleshooting information related to installing or starting the program, see the READ ME text on file on the CD.

MECC Learning Guarantee™

For more than 20 years, MECC has been committed to serving children and supporting teachers and parents who shape their education. All MECC software is designed to help children learn. We feel so strongly about the educational value of our products that we guarantee it. If you are not convinced that your kids are learning from MECC software, we'll exchange your product or give you your money back. Simply return the complete package, along with a receipt showing the store name and location, to MECC within 30 days.

Welcome to *Trivia Munchers™ DELUXE*

Munch or be munched in this fast-paced interactive game! Move a lively Muncher around a 3D grid while avoiding six troublesome Troggles. Munch the correct answers from six main topics to earn points. If you score enough points, you'll get into the Hall of Fame. Or expand your Trivia knowledge without any danger of becoming a Troggle snack by choosing to play the game "Troggle-free". You can still earn points and qualify for the Hall of Fame.

Installation for Macintosh®

Insert the CD in your CD-ROM drive and double-click on the installer icon. Follow any on-screen prompts until installation is complete. Read the installer screens for more information.

Installation for Windows®

Pull down the File Menu and choose Run. In the Command Line box, enter D:\Setup and press Enter. (If your CD-ROM is not drive D:, enter the appropriate letter.)

Installation for Windows® 95

Insert the CD in your CD-ROM drive. The installer contains an Auto Run feature. Follow any on-screen prompts until installation is complete. Read the installer screens for more information.

Start-up

To start the program, double-click on the *Trivia Munchers* icon.

How to Use *Trivia Munchers DELUXE*

On the title screen choose to play with Troggles or without Troggles by clicking the appropriate button.

On the screens following the title screen, you may choose the level, one of six trivia topics, the sub-categories within that topic, and the order of difficulty of those games. Click the on-screen Help button for an overview of the product.
